

The papers must be submitted against the main theme & subtheme mentioned in "Call for Papers" for **IDEAS 2022**.

Length and formatting requirements:

Papers must be submitted in PDF format only. Six (8) A4 size pages in two-column are allowed for each paper, including figures, references, etc.

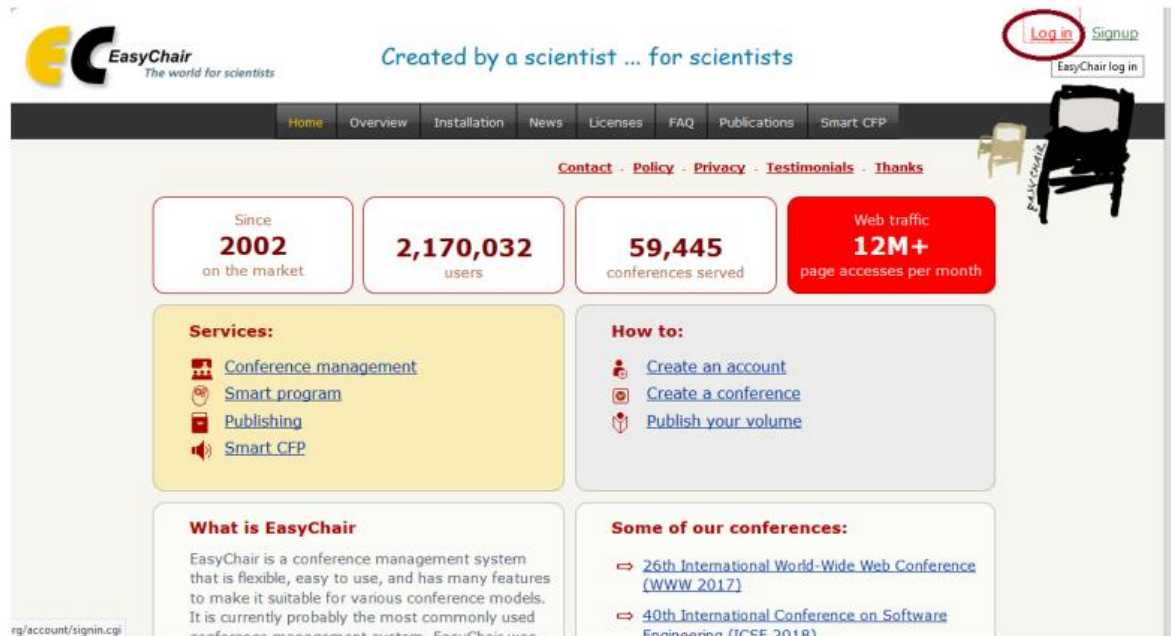

Check your paper for grammatical and spelling errors.

Registration and Presentation:

At least one of the authors must register for the conference.

How to submit a paper in EasyChair?

1. Write the following url, click in Signup:
<http://easychair.org/>

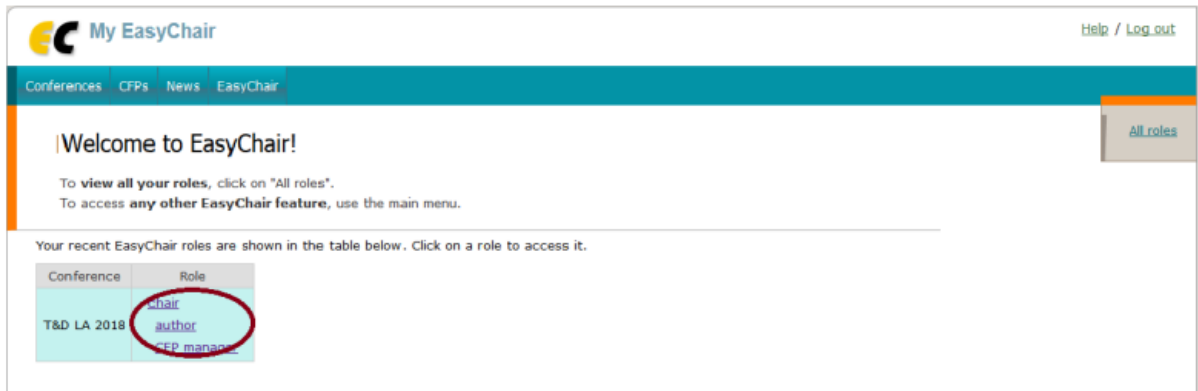

The screenshot shows the EasyChair website homepage. The logo "EasyChair The world for scientists" is on the left. The tagline "Created by a scientist ... for scientists" is in the center. The navigation menu includes Home, Overview, Installation, News, Licenses, FAQ, Publications, and Smart CFP. A "Log in" button is circled in red in the top right corner. The main content area features four statistics boxes: "Since 2002 on the market", "2,170,032 users", "59,445 conferences served", and "Web traffic 12M+ page accesses per month". Below these are sections for "Services" (Conference management, Smart program, Publishing, Smart CFP), "How to:" (Create an account, Create a conference, Publish your volume), "What is EasyChair" (description of the system), and "Some of our conferences:" (26th International World-Wide Web Conference (WWW 2017), 40th International Conference on Software Engineering (ICSE 2018)).

2. You should write the username and password.

The screenshot shows the EasyChair login interface. At the top left is the EasyChair logo with the tagline "The world for scientists". At the top right are links for "Help / Log in" and a small chair icon. The main heading is "Log in to EasyChair". Below this is a note: "EasyChair uses cookies for user authentication. To use EasyChair, you should allow your browser to save cookies from easychair.org." The login form contains two input fields: "User name:" and "Password:", both of which are circled in red. Below the fields is a red "Log in" button. At the bottom of the form, there are links for "create an account", "click here" (for forgot password), and "click here" (for problems to log in).

3. Select your role: Author

The screenshot shows the "My EasyChair" dashboard. At the top left is the "My EasyChair" logo. At the top right are links for "Help / Log out". Below the logo is a navigation menu with "Conferences", "CFPs", "News", and "EasyChair". A "Welcome to EasyChair!" message is displayed, followed by instructions: "To view all your roles, click on 'All roles'." and "To access any other EasyChair feature, use the main menu." Below this is a table of recent EasyChair roles. The table has two columns: "Conference" and "Role". The "Role" column contains three entries: "chair", "author", and "CFP manager". The "author" entry is circled in red. A button labeled "All roles" is located in the top right corner of the dashboard area.

Conference	Role
T&D LA 2018	chair
T&D LA 2018	author
T&D LA 2018	CFP manager

4. Choose a theme for your paper; Is it a research paper/prototype/idea/proposal. And is it a full paper, short paper, demo paper or a workshop? Upload your full submission file in PDF format by clicking the 'Browse' button. Note that the forms above provide space for an abstract. Please do not upload abstracts separately.

Title and Abstract

The title and the abstract should be entered as plain text, they should not contain HTML elements.

Title (*):

The abstract should not exceed 300 words

Abstract (*):

Keywords

Type a list of keywords (also known as key phrases or key terms), **one per line** to characterize your submission. You should specify at least three keywords.

Keywords (*):

Select one or more topics related to your paper.

Topics

Please select topics relevant to your submission from the following list.

- | | |
|--|---|
| <input type="checkbox"/> Aging infrastructure and asset management. | <input type="checkbox"/> Resiliency enhancement and storm response and restoration. |
| <input type="checkbox"/> Cyber and physical security. | <input type="checkbox"/> Distribution automation. |
| <input type="checkbox"/> Energy and the environment. | <input type="checkbox"/> Renewable and alternative energies. |
| <input type="checkbox"/> Energy storage systems. | <input type="checkbox"/> Advanced Metering Infrastructure and enhanced customer engagement. |
| <input type="checkbox"/> Electric vehicles: protection and control. | <input type="checkbox"/> Operations and maintenance. |
| <input type="checkbox"/> Merging utility operations into the customer experience. | <input type="checkbox"/> Power system big data, analytics, and software tools. |
| <input type="checkbox"/> Smart Grid. | <input type="checkbox"/> HVDC & Flexible AC transmission systems. |
| <input type="checkbox"/> Gas insulated substation, gas insulated transmission & mixed technology switchgear. | <input type="checkbox"/> Power and energy education, collaborative research, and workforce development. |

Uploads

The following part of the submission form was added by T&D LA 2018. It has neither been checked nor endorsed by EasyChair

Paper (*). Upload your paper. The paper must be in PDF format (file extension .pdf)

No se ha seleccionado ningún archivo.

Ready?

If you filled out the form, press the 'Submit' button below. **Do not press the button twice: uploading may take time!**

5. When you are satisfied with your submission, click 'Submit Paper' to save all the information in EasyChair.
